

Oil Well Information Form

General Information

Date _____ Company name _____
 Your name: _____
 Oil well location: _____
 Well name/number _____

Oil well information

Formation/Geological zone: _____
 Completion date: _____ Formation temperature: _____
 Oil layer thickness: _____ Static fluid level in well: _____
 No. of oil pay-zones: _____ Porosity: _____ Permeability: _____
 Perforations/
 open interval: _____ Tubing size: _____ Condition: _____
 Casing depth: _____ Casing size: _____ Condition: _____
 Initial production: _____ Oil: _____ Water: _____ Others: _____
 Present production: _____ Oil: _____ Water: _____ Others: _____
 Formation pressure: _____ Total wax cont: _____ Others: _____
 Water injection well connection ready nearby? Yes _____ No _____ None _____
 Distance from others closest oil wells Meters _____ Miles _____

Oil information

Specific gravity of oil: _____ API: _____ Pour point temperature: _____

List known well problems

Well History

List rework/repairs history of this well(or fields of wells)

Was the work considered a success or a failure?

What are the major reasons do you think this well (or field of wells) are not performing lately?
